## 'SHOILY-BRIGHT' SCHOLARSHIP PROGRAM

Shoily-Bright Scholarship Program

Shoily Foundation

## Shoily-Bright Scholarship Program, Initiated by Shoily Foundation

**Project Summary:** Many deprived children/students are existing around us who cannot fulfill their dreams in want of a little cooperation! Instead of restricting the scholarship only for meritorious student, Shoily foundation offers a fellowship/scholarship program where it considers all those young people who are creative, brilliant, dreamers and fighting hard to reach their destination/dream. This financial support will not only confined in student, but also creative people, sports talent and so on. We do seek out brilliant individuals who have managed to do very well in either academic institution or non-academic platform even though they are facing harsh realities and impoverished living standards around. In selection procedure, all applicant will go through a one to one interview and will be evaluated by Shoily foundation selection board. Eligible candidate will be selected to receive a certain amount of money every month to cover part of their monthly expenses in yearly basis. Besides, we will keep in touch with selected candidate and will come forward with our helping hand wherever the candidate will face struggling barrier to reach their goal.

### **Facts of Shoily-Bright Scholarship:**

- Selected candidate will receive a monthly stipend not less than twelve hundred BDT for 12 months.
- Shoily Team will conduct this support program in 'one to one' basis. An assigned member will be responsible to interact with each selected candidate for all his/her duties. Selected candidate will also be allowed to contact the assigned person to seek any advice/support for education/career/health related issues. Apart from that, the assigned members may contact the selected candidate on a monthly basis to receive update from the selected candidate.
- If 'Shoily Foundation Ceremony' is organized, selected candidate will be asked to attend in the event where award certificates will be handed over.
- Selected candidate will be allowed to receive all available Shoily Foundation facility during the award interim.

- Selected candidate can contact the assigned team members for any emergency help/support which may be related to health/career or any other issues.
- Shoily foundation team ensure the selected candidate learns about Bangladesh, mutual respectfulness, honesty and ethics throughout the scholarship program.
- The required education level to apply for this award is chosen from class five to University level in Bangladesh perspective.
- All eligible candidates will be awarded. Thus there is no certain number of scholarship in the program. Eligibility procedure will solely be decided by Shoily Foundation selection board.

**Selection Procedures:** After carefully reviewing all applications received online, Shoily Foundation selection committee will shortlist all eligible candidates for interview. In short, throughout the selection procedure, following criteria will be considered to finalize the list of selected candidate:

- Evidence of merit/creative task.
- Extent of financial hardship.
- Leadership skill to represent home country.
- Inspirational occurrence in applicant life history.
- Social/human-kind activities.

If needed, Shoily foundation volunteer will provide important information to the applicant regarding how to send scanned copies of mark sheets, certificates, school/college/university id card, photo etc. In addition, final selection procedure will be initiated once all necessary documents is received by the selection board. And board will finish their selection criteria within three months.

Scholarships stipend will be provided monthly basis through bank transfer/mobile banking by assigned Shoily foundation member. All important information will be posted in Shoily foundation website and thus we keep encourage to all applicant to go through our website frequently.

Notably, if any fake information is found/identified later on, even after the applicant gets selected, the award will be withdrawn immediately.

## Project Outline:

### **Prime-task**

A sub-team will manage to find out eligible students to deliver the funds and control all communications among Shoily foundation core team, students and sponsors.

### **Registration**

Two volunteers will commit registration task. Completed registration process will be delivered with a unique ID which will keep a record for central database.

**Payment timeline**

Monthly basis for each candidate for one year.
